

October 9, 2017

Theme:

What color should our fish be?

Math:

Vote and graph during large group time. Each child puts their picture under color choice (red, blue, purple.) Count to determine winning vote

Literacy:

Read Rainbow Fish. Discuss friendship and sharing

Science:

Explore color mixing at the light table with color blocks.

Art:

Finger paint red and blue

Gross Motor:

Practice different swimming strokes

Fine motor:

Match fish to tank colors

Snack:

Goldfish crackers

Songs:

Baby Shark

Rainbow Fish ...

(Tune: Frere Jacques)

Rainbow fish, rainbow fish,
In the sea, in the sea,
A-splishing and a-splashing,
A-splishing and a-splashing,
Look at me, look at me.

I'm a little fish watch me go.

I swim fast, and I swim slow.

When the sharks come out, I dare not play.

I dive down deep and swim away!

Smartboard:

Have relaxing aquarium music
