Anticipatory Set: Our classroom pet, Fitzerella stayed home the week of 4th grade PSSA testing, so as not to be a distraction, in our tiny classroom. We recently discovered that Fitz, (named after our school's namesake John Fitzgerald Kennedy) is actually a female! Thusly, her terrarium has been decked out for royalty. Students refer to her as "our" princess. 😊

Objective:

Write a narrative with an illustration. Tell a story detailing what kind of adventure Fitzerella was on during her time off from school. Use proper conventions (spelling, punctuation, etc).

Students brainstormed and then wrote sloppy copies in their writing journals. Then they wrote final copies of their stories. Students were allowed to start with their illustration first.

See attached samples of student work. I was blown away by their ideas and creativity!

chapter 1: What Was That?

One day Fitzarella was enjoying her yummy lunch in her princess terrarium! The students were all gone at their special, and the teacher was at an important meeting, so that left Fitzarella the only one in the classroom. After she finished her lunch, she layed down feeling relaxed. Suddenly, she heard something! "Hellooo?" said a deep voice. The princess jumped in fearness, "Who is it?!"

chapter 2: Friends with a Ghost

"Please do not be scared! A ghost came through the classroom door waving at Fitzarella. "H-h-hello, I'm Fitzarella, what's your name?" "Is this a dream, this can't be real!" she said. "I'm so sorry to get you freaked out, my name is Ghostly, I was on a mission but, now I'm very lost!" "Will you help me Fitzarella?" The princess was very confused but was happy to help so, she said yes anyways. We're gonna have to fly, so it's faster and easier to get to the ghost portal, if that's okay with you. "Oh... beard dragons can't really fly, she said. "Sure you can!" "This cape will let you fly, at first it's hard to control, but you'll get the hang of it!" Ghostly said.

Chapter 3: The Adventure

They went outside the school building. "Ready?" "Ghostly asked. "Ready," said Fitzarella. She put her cape on and

MISSING

-cat

One day Fitz went missing. "Where is Fitz?" Cat questioned. Everyone started to question it. Ms. Midora said "I left her at home with Fongy because she is kinda of a distraction." Everyone was sad because we didn't get to see our dragon princess.
Once Ms. Midora got home she saw Fitz was missing. Ms. Midora put up missing posters up and she didn't tell the students.

I can't believe I'm lost. I think my mom found out I'm missing. She probably thinks I was lizardnapped.

Day 2:

I found some shiny stuff in the vents. I tried to eat it, but I can't. I.T.

Fitzarella's Adventure

Did you wonder where Fitzarella was during the PSSA? Well, she was on the adventure of her life! And now let's see what that adventure was like...

"What happened? Why was there a hole that brought me to this place with doors and elevators?" I said. "They look like portals! There's Cinderella, Rapunzel, Snow White, Beauty and the Beast, The Princess and the Frog, The little Mermaid, Paradise, and the exit."
