-
-

**Dissect your lizard “stomach”!
What did you find?**

What you found	Amount

--	--

1. Is your lizard a producer or consumer? How do you know?

2. Is your lizard a herbivore, omnivore, or carnivore? Describe evidence to support your answer.

3. What lizard are your guts from? How do you know?

Make a food chain for your lizard! Find or draw pictures to show how energy flowed to your lizard. Write a short description of the food chain. Is the lizard a producer or consumer?
