

Mealworms and Bearded Dragons: Unveiling Life Cycles and Adaptations

Student Worksheet

Comparing and Contrasting the Life Cycles of Bearded Dragons and Mealworms

Describe the mealworms using words and pictures.

Measure your mealworms. Measure them in quarter-inch increments ($\frac{1}{4}$, $\frac{1}{2}$, $\frac{3}{4}$, 1 inch)

Mealworm	Measurement

If you find any eggs, record a hashmark for each one (/)

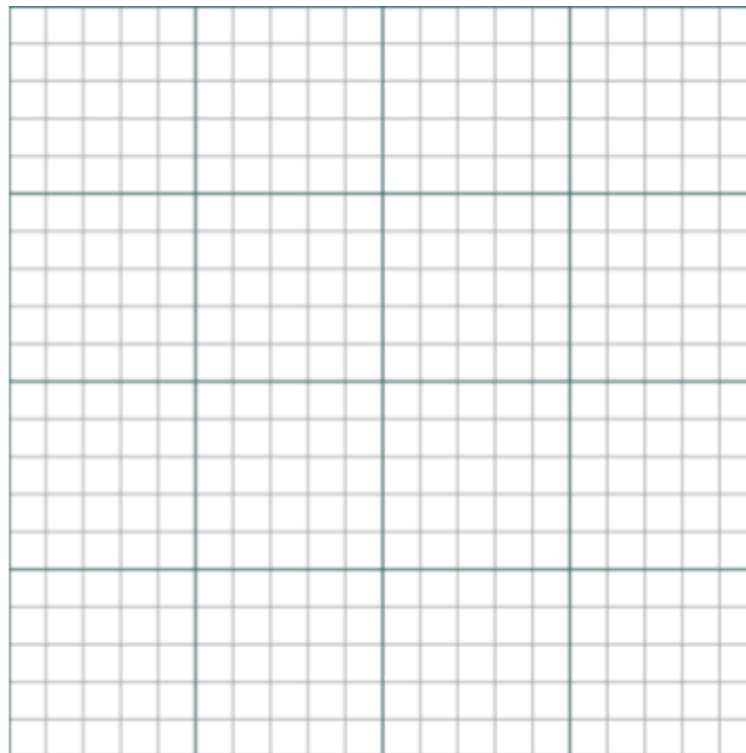

--

Tally up the mealworms. Count how many of your mealworms measured $\frac{1}{4}$, $\frac{1}{2}$, $\frac{3}{4}$ and 1 inch.

Length (in)	# of mealworms that were this length
$\frac{1}{4}$	
$\frac{1}{2}$	
$\frac{3}{4}$	
1	

GRAPH IT: Create a bar graph of the mealworm lengths.

of mealworms

$\frac{1}{4}$ inch	$\frac{1}{2}$ inch	$\frac{3}{4}$ inch	1 inch
--------------------	--------------------	--------------------	--------
