

Welcome to Pets in the Classroom! To get started, you will need to create an account with us. You will be able to apply for a grant after your account is created. You are only allowed one account, which will be used each school year to manage your grants.

Create Account

1. Click the green **Login** button on the top right of the Pets in the Classroom website.
2. Select the **Register** tab.
3. Click the **Create Account** button.
4. Complete the profile questions/form to create your account.
Note: Be sure to follow all listed information/instructions to avoid confusion during the set up.
5. Press the **Create Account** button.
6. You will then receive a confirmation email with a **link** to set your password.
7. After your password is created, you will be able to login to your account.

Apply for Grant

1. After you login, press the **Start New Application** button within the portal to apply.
Note: As you work through the application, you can navigate backwards through the pages if necessary.
2. Review and agree to the Pets in the Classroom **Grant Terms**.
3. Select your **grant preferences** to make sure you receive the grant you want and/or to determine which grant is right for you.
Note: You can review our grant options at petsintheclassroom.org/about-our-grants. Make sure you pick the best pet for your classroom by reviewing the information on petsintheclassroom.org/choosing-a-pet.
4. Review your **personal information** and update if necessary by clicking the Edit Profile button at the bottom of the page.
5. Review your **school information** and update if necessary. Affirm that your principal has given permission for your classroom pet.
6. Complete the **grant details** section so we can learn more about you and your pet.
7. Press the **Submit Application** button once you're done.
8. Once submitted, you will see your application listed under the **Application History** section of your account.
